- Do you want to raise the roof on how far you can grow your business with Velocity?

Our speaker today has shown clients on six continents how to build high performance sales cultures that have generated incremental revenues of over a billion dollars. He is the author of the CEO Best-selling book, *Lead, Sell or Get Out of The Way* and has been interviewed on numerous TV and radio shows. He has also served as the 2013-2014 President of the National Speakers Association---the trade group supporting the top thought leaders in the world.

When he is not traveling, he is the Dad to an incredible 24 year-old woman that is the light of his life and likes to tear it up on the golf course. Well, he doesn't mean to tear it up, but that sometimes does happen.
